

Healthy Start

Help your child start his/her healthy lifestyle today. Healthy Start at Ridge Fitness is a one week program that will teach your child the basics of anatomy, exercise and safety in the weight room. After your child has completed this program he/she will be able to workout with you on the machines that they have been taught in the class. Whether your child is an athlete or not, a head start on the benefits of resistance training and healthy living will benefit them for the rest of their lives.
